Kindergarten Project- Poveda Kids

Continuing its focus on how to teach and how to maximize learning in the time the children are with us and to extend this learning into their home environments, the teachers in the project work hard to make sure that every single minute is used gainfully. Timetables are tighter than before and have a great variety to ensure that every single child is able to participate and learn.

We have celebrated:

- Dusshera
- Diwali
- Children's Day
- Christmas.

Some of the most commonly heard sentences at the kindergarten:

- Give me some more ideas.
- What more can I do to teach this concept?
- The children should speak in English.
- This child has to come on time.
- Wow!!!! Very nice!!!
- This child must come on time!
- I will give you a star!
- Didi, I have finished my work.
- Are you ready?

Teacher Professional Development

Poveda is working with the teachers of Dr. Cyrus Poonawalla English Medium School, Uruli Kanchan impacting teaching methodology and language skills.

We are also working with the children from grades 8 to 10 on topics related to life skills and decision making.

Poveda Handicrafts

Some of us at Poveda come together every year to prepare a wide range of handicraft and food items that are sold to raise funds for the foundation. These stalls are hosted across different corporate houses and we also have an annual Christmas fair at St. Francis Xavier Church, Chinchwad.

One Word

Can Make a Difference

Any person

Their life

Their words

Can Make a Difference

Just because you're small

Doesn't mean you can't do it

Just because you've never been able to

Doesn't mean you never will

You

Your life

Your words

Can Make a Difference
