It is the end of March!

Another financial year has come to an end and we've made it through. Thank you! Your support means the world to us. There are days and weeks when it is difficult to imagine how we will sustain ourselves. And yet, here we are!

Poveda stands indebted to your generosity. The work we do is possible because of your sacrifice, and your sacrifice bears much fruits.

Thank you.

Zilla Parishad Schools Project

This last month of our interventions for this academic year saw us teaching new language concepts and grammar and revising everything that has been taught through the year in preparation for the year end assessment.

We continued with Sports and Art classes in the ZPPS Dhangawadi through this month.

Changemakers

Our Changemakers Prem and Viraj visited a few of our ZP schools during their year end school break. Prem shared with the students about Changemakers and took questions from them about the program and about life.

It was encouraging to see the confidence with which he presented the program.

Poveda Meals

We brought our friends from the streets into our kindergarten on Sunday, March 1, for a special home made meal. Those who came also received cooking oil packets.

Our Changemakers organized the entire meal.

Annual General Meeting

Our Annual General Meeting was held on Saturday, 28th March. Parents, benefactors, friends, students and leaders participated in this evening of celebration of the year gone by at Poveda.

The kindergarten put up 4 dances, 1 song and 1 drama.

The ZP kids participated in a grammar quiz.

The Changemakers shared their stories.
